Subject: I will be arriving late tomorrow

Hi []

I hope you had a productive remote work day today

I got a nail in my tire on site today & the entire tire needs to be replaced. I have an appointment in the morning so I will be late coming to Site

[] knows all about this. The Site is a muddy mess so they are going to do what they can. We didn't get ice on the roads, just the trees and gates. HopefullyERRS can mix the last 10 segment. No dust trak tomorrow

I will arrive mid-morning Please call if you need anything

Thanks
Chris
